The *Journal of Applied Polymer Science* is published in two sections as follows: *Journal of Applied Polymer Science* (ISSN 0021-8995), tri-monthly, *Applied Polymer Symposia* (ISSN 0570-4898), irregularly. Published tri-monthly, three volumes per year, by John Wiley & Sons, Inc., 605 Third Avenue, New York, New York 10158. Second-class postage paid at New York, New York, and at additional mailing offices.

Subscription price (1992): $2,355.00. Outside USA: $2,805.00 (air service and handling included). Please allow four weeks for change of address. Back volumes, microfilm, and microfiche available for previous years.

For subscription inquiries, please call customer service at (212) 850-6645 or write to the above address.

Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose mailing label or cite your subscriber reference number in order to expedite handling. Missing copies will be supplied when losses have been sustained in transit and where reserve stock will permit.
